# Connecting via Wi-Fi (2/2)

You need to complete the following steps:

1. Turn on Wi-Fi on your notebook
  - maybe a Button or Switch on your notebook
2. Enable Wi-Fi
  - you can do it within your Windows/OSX
3. Connect to Wireless Network
  - Select Wi-Fi Name of Hotel
4. Open Web browser (IE, Firefox, etc)
5. Or type in a valid web address if there is no homepage in the browser
6. Hotel Login Page appears for login information
7. Login to the system with Username and Password
8. Surf the internet
